6690-UR-122 – Application of Wisconsin Public Service Corporation for Authority to Adjust Electric and Natural Gas Rates

Two or more commissioners may be present at various points during this public hearing. No formal action will be taken by the Commission at this hearing.

Due to construction on the parking lot at the Public Service Commission of Wisconsin building located at 610 North Whitney Way, in Madison, Wisconsin, visitor parking during upcoming hearings and open commission meetings will be sparse. It is highly suggested that to attend a meeting or hearing without parking issues, visitors would find on street parking south of Old Middleton Road on Whitney Way. Carpooling is recommended to ease the congestion of the lot or on street parking. There is ample space available and it is located within a short walk of the Commission.
